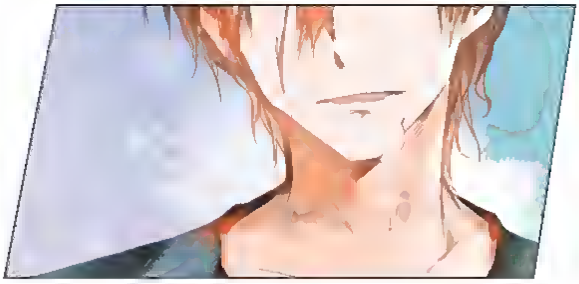
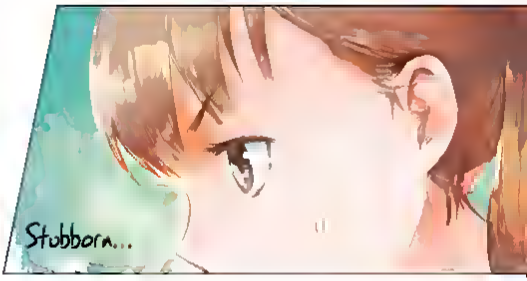
CHAPTER 7
BOYFRIEND?

DRIP...



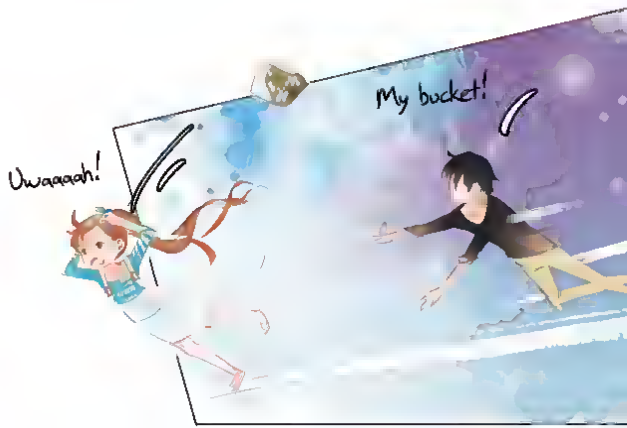


Stubborn...

Give me back that bucket!
Eh?

I made that with snakeskin.
Sure...

SNAKESKIN?



My bucket!
Uwaaaah!

Why is it that I get a sense of pleasure when I see that Master Xiao can't catch a break?
The studio sure is lively today.
To tell you the truth, he's a good person, but he's very protective of his own work.

He worked for a really long time on that chair made out of bones for an exhibit, so...
For creators, they treat their works like their own children.
I'm sorry... I thought it was just a normal chair...

I will say though, you were pretty zealous protecting your sister!
That was the first time I've ever seen Master Xiao get so flustered!

Well...
I might have been a little too impulsive just now...

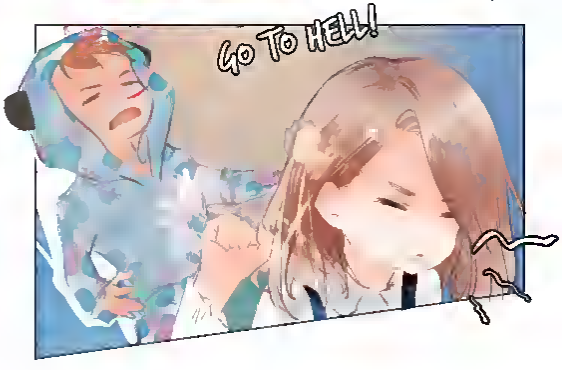
Well, you guys haven't really been acquainted yet...
It's all good, now that we've cleared things up. I'm really envious that you sisters have such a great relationship!
HAHA!
Oh, by the way, Hao Bo said that your paintings are really good, Yi Nuan!
Won't you consider applying to our school?

Isn't your school an art institute? How could I get in if I've never formally learned how to paint?

You haven't?
Yeah, I just paint for myself as a hobby. On top of that, I'll be a high school senior after this summer, so there's no time to start now.

For someone who impressed Hao Bo,
One year should be a piece of cake, if they put in the work.
Is it really that easy?

Yao just wants more people to attend her dad's school!



GO TO HELL!

Just ignore that idiot's words~

Haha, actually, I really wanted to learn when I was little, but my mom wouldn't let me,
So I ended up just painting for fun.

If only my mom was the same way!
It must be nice having painting as a hobby. My mom forced me to apply!
Now that I'm in college, I don't feel like it at all.

Well, that's because your paintings sucked.
Can you not lump other people in with your problems?

Oh yeah, I'm going over to my dad's studio to grab some supplies. Do you want to come with me?
There are lots of amazing people there.

Plus, there are a bunch of cute boys~

I'm surprised! There are guys you think that are cute besides Master Xiao?

Would it kill you not to butt in?
Jeez, it's like you've got superhuman hearing when us girls are chatting...
Ahh! Is that long-haired guy your boyfriend?

HA HA
No, we're not dating! It's completely one-sided!
Don't be so surprised! It's not a secret anymore, so it doesn't matter if I say it out loud.

To be continued...

The next update will be next Sunday afternoon at two!

Master Xiao has been asking for monthly passes for a week now, but he hasn't gotten enough to buy a towel?
Let me try asking for them! Smaller, good looking guys are popular right now!
GO TO HELL!

Oo.....
